

PagePack is the simple way to plan and control copy and print costs in your company – *with no hidden extras.*

PagePack is an all-inclusive service agreement that combines class-leading service with all your Xerox supplies in one simple contract.

Peace of mind, quality assurance and visibility of total costs – PagePack is simple, flexible and tailored to your print needs.

Simple and Flexible

- Based on your estimated page volume, we will help you determine a Service and Supplies Plan that perfectly suits your needs.
- Easily understandable contract that is automatically renewed on its anniversary.
- All-in PagePack contracts provide predictable invoices from a single source, allowing clear visibility of total costs and enabling you to accurately budget for your office printing.
- Any page volume over and above your contract commitment is charged at a flat rate per page.
- eSupplies ordering and monitoring – simply visit our unique Customer Online Tool (COT) to order supplies when you need them and they will be delivered direct to your door.
- Helpdesk support in your own language (12 languages supported).

Peace of Mind and Value for Money

- Xerox maintenance, on-site servicing and quality branded supplies, ensure your equipment delivers optimum print quality and total dependability.
- You benefit from predictable invoicing, allowing you to accurately budget your print costs.
- Page volume above your contract band is easily accommodated within the agreement.
- With all supplies included and a fixed price per page, you don't need to worry about print area coverage on your documents.

Eligible products for PagePack

If you purchase any of the new Xerox copiers or multifunction systems over 16 pages per minute, branded CopyCentre®, WorkCentre® or WorkCentre® Pro, you can benefit from the simplicity, flexibility and value of PagePack. PagePack is now available on selected printers too.
